AGREEMENT

THIS AGREEMENT is entered into as of this 1st day of July, 2019, between the CITY OF GRAND RAPIDS, hereinafter referred to as the "Management" and the GRAND RAPIDS POLICE OFFICERS ASSOCIATION, hereinafter referred to as the "Union."

ARTICLE 1 **RECOGNITION**

Section 1. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, Management recognizes the Union as the exclusive collective bargaining representative for those employees in the defined bargaining unit for the purpose of collective bargaining with respect to rate of pay, wages, hours of employment and other conditions of employment.

Section 2. The bargaining unit consists of all employees holding positions in the classifications shown in Appendix A or which may hereafter be added thereto or changes as hereinafter provided, and excludes all supervisors and all other employees not specifically included in Appendix A as it now exists or is changed in accordance with this Agreement.

Section 3. Management shall not enter into any other agreements with employees in this bargaining unit, individually or collectively, or with any other organization which in any way conflicts with the provisions hereof.

ARTICLE 2 **UNION SECURITY AND CHECKOFF**

Section 1. Management will make available to all employees entering the bargaining unit a copy of this Agreement.

Section 2. In the event that there is a change in existing law that allows an agency shop relationship, the language of article 2, sections 2 and 3, of the July 1, 2016 through June 30, 2019 collective bargaining agreement shall be effective in this agreement.

Section 3. Upon receipt of a written assignment from an employee covered by this Agreement, Management will, every payday, deduct from the employee for Union membership owed to the Union by such employee for Union membership dues, special assessments, initiation fees, or service charges. Management will remit all deductions made to the designated Union official within five (5) days of the time the deductions are made. Revocation of this assignment may only be made by completing a revocation form supplied to the employee by the union and shall not be effective until such form is signed by the union and delivered to and signed by the city. Such signatures shall not be withheld and are only to verify receipt by the union and the city. Once the city receives such form that has been signed by the union, it shall cease making the related deductions as soon as administratively practicable.

Section 4. Any changes in the present Union membership dues rate will be certified to the City Manager by an authorized officer of the Union at least forty-five (45) days in advance of the effective date of such change.

Section 5. The Union will indemnify, defend and hold Management harmless against any claims made and against any suit instituted against it on account of the application of this Article.

Section 6. The Union agrees to refund to Management any amounts paid to it in error on account of the check off provision upon presentation of proper evidence thereof.

ARTICLE 3

MANAGEMENT SECURITY

The Union and employees agree that during the life of this Agreement they will not cause, encourage, participate in, or support any strike or picketing against Management or any slowdown or other interruption of or interference with the normal functions of Management concerning any matter which is subject to the grievance procedure or to the jurisdiction of the Civil Service Board. Violation of this paragraph shall be grounds for disciplinary action up to and including discharge without recourse to the grievance procedure. However, any employee who is accused of violating this provision and denies such alleged violation may appeal through the grievance procedure. Upon a finding of fact that the employee did violate the provision(s) of this Article, the disciplinary action imposed by the Employer shall not be disturbed.

ARTICLE 4

MANAGEMENT RIGHTS

Section 1. Except as otherwise specifically provided herein, the Management of the City of Grand Rapids and the direction of the work force, including, but not limited to the right to hire, the right to discipline or discharge for just cause, the right to decide job qualifications for hiring, the right to layoff for lack of work or funds, the right to abolish positions, the right to make rules and regulations governing safety, the right to determine schedules of work, the right to subcontract work (when it is not feasible or economical for the City employees to perform such work), together with the right to determine the reasonable methods, processes and manner of performing work, are vested exclusively in Management. In exercising these functions, Management will not discriminate against any employee because of his or her membership in the Union.

Section 2. Rules of conduct not inconsistent herewith and in effect at the date of this Agreement shall be continued. Management shall have the right to amend, supplement, or add to said rules during the term of this Agreement, provided however, that Management shall first consult with the Union prior to any such amendments. Such rules shall be reasonable and shall relate to the proper performance of a Police Officer's duties and shall not be applied in a discriminatory manner. It is recognized that rules covering off-duty conduct are related to proper performance of a Police Officer's duties.

ARTICLE 5

UNION BARGAINING COMMITTEE

Section 1. The bargaining committee of the Union will include not more than five (5) bargaining unit members and two (2) alternate members employed by the City of Grand Rapids. It may also include non-employee representatives of the Grand Rapids Police Officers Association, not more than two (2) in number. The Union will give to Management, in writing, the names of the employee representatives on the bargaining committee prior to the beginning of bargaining.

Section 2. There will be no discrimination against any employee because of his duties as a Union official, Union representative or committee member. Management will not discriminate against any employee because of his or her membership in the Union.

Section 3. Employee members of the bargaining committee will be paid by Management for time spent in negotiations with Management, but only for the straight time hours they would otherwise have worked on his/her regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the committee member.

Section 4. Management will not unreasonably refuse a request by any member of the bargaining committee to be transferred to the day shift for the period of contract negotiations. Any refusal by

Management shall be subject to immediate submission to arbitration, Step 2, for the purpose of determining the reasonableness of any refusal.

ARTICLE 6

SPECIAL MEETINGS

Section 1. Management and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matter to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 AM and 5:00 PM at a time and place designated by Management. Each party shall be represented by not more than four (4) persons at special meetings.

Section 2. The Union representatives may meet at a place designated by Management, on Management's property, for a period not to exceed one-half (½) hour immediately preceding a meeting for which a written request has been made.

Section 3. Employee representatives of the Union at special meetings will be paid by Management for time spent in special meetings, but only for the straight time hours they would have otherwise worked on his/her regular work schedule. For the purpose of computing overtime, time spent in special meetings shall be considered as hours worked to the extent of the regular work schedule hours which they otherwise should have worked.

ARTICLE 7

UNION REPRESENTATION

Section 1. Employees within the bargaining unit shall be represented by one (1) Union representative for each work shift. The Union shall furnish Management a list of the Union representatives' names and his/her assigned areas and shall keep the list current at all times. Alternate Union representatives may be appointed by the local Union President to serve in the absence of the regular Union representative.

Section 2. When requested by an employee, a Union representative may investigate any alleged or actual grievance in his assigned work area and assist in its presentation. Therefore, he/she shall be allowed reasonable time during working hours without loss of time or pay upon notification and approval of his/her immediate supervisor outside the bargaining unit.

Section 3. When an employee without intervention of the Union presents a complaint to Management which alleges a violation of this Agreement, the Union representative shall be given an opportunity to be present and shall be allowed the time therefore, paid at his/her regular wage, upon notification and approval of his/her immediate supervisor outside the bargaining unit. Management may remedy the employee's complaint if such remedy is not inconsistent with the terms of this Collective Bargaining Agreement.

Section 4. Union business, other than that cited above, shall be conducted so as not to interfere with the work assignment of Union representatives or any other employees.

Section 5. The Union Grievance Committee shall have the same privileges as Union representatives, in areas to which assigned, when any grievance has been processed to its level (Step 1), in the grievance procedure.

Section 6. The Union President shall, at the union's request, be assigned to a position on the day shift.

Section 7. Management will continue all current practices regarding union activities at Police Headquarters throughout the life of this Agreement.

Section 8. Union stewards shall be allowed reasonable time to attend Union meetings during their regular working hours without loss of pay. Such release time with pay shall not exceed three (3) stewards per meeting or six (6) meetings per calendar year.

Section 9. For the purposes of Article 8-Grievance Procedure and Article 10-Discharge and Discipline, Union representative may alternatively mean a labor consultant or attorney employed or retained by the Union. When functioning as a Union representative, such individual shall have no greater authority or privileges than any other employee Union representative.

Section 10. Management will continue to make reasonable accommodations which will allow the Union President to attend to Labor Relations issues relating to the GRPOA during working hours during the life of this Agreement.

At the Union's request, a joint labor/management committee shall be formed to explore the feasibility of the position of Union President becoming a full time paid and released position to attend to Labor Relations issues.

ARTICLE 8 **GRIEVANCE PROCEDURE**

Section 1. Grievances

- A. A grievance is any dispute, controversy, or difference between (a) the parties, or (b) Management and an employee or employees, on any issue with respect to, on account of, or concerning the meaning, interpretation, or application of this Agreement or any term or provisions thereof.
- B. A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated and shall set forth completely the known facts pertaining to the alleged violation. Any grievance not conforming to the provisions of this Paragraph shall be denied.

Section 2. Time Limits

- A. If Management does not respond within the time limits or procedure required in each step, the grievance shall be considered settled as requested without precedent.
- B. Any grievance not taken to the next step within the time limits specified herein will be considered settled on the basis of the last answer by Management without precedent.
- C. Extensions of the time limits may only be made by a written, signed agreement by a Union representative and a Labor Relations Office representative.

Section 3. Election of Remedies

- A. Appeals involving discharge, demotion, reduction in rank or compensation, or suspension may be filed with the Civil Service Board in accordance with Civil Service Board rules. It is expressly agreed that such appeals shall be an election of remedies and a waiver of any right possessed by both the employee and the Union to contest such matter in the arbitration forum provided herein.
- B. It is further expressly agreed that if any proceedings involving any dispute which is or might be alleged as a grievance are instituted in any administrative action before a government board or

agency, the Michigan Employment Relations Commission or in any court, whether by an employee or by the Union, then such administrative or judicial proceedings shall be the sole remedy, and grounds for a grievance under this Agreement shall no longer exist. Injunctions, temporary restraining orders or actions under Veteran's Preference shall not be considered part of the grievance procedure.

- C. Grievances involving classification disputes may only be presented to the Civil Service Board.
- D. No other disputes subject to the grievance procedure may be submitted to the Civil Service Board.

Section 4. Grievances will be processed in the following manner and within the stated time limits:

Step 1

- A. The aggrieved employee or group of employees with the Union representative or a representative of the Union shall present the grievance in writing to the employees' immediate supervisor outside the bargaining unit or, in the case of Union grievance, shall be presented to the Chief's office. The grievance must be so presented within ten (10) calendar days after occurrence of the circumstances giving rise to the grievance or ten (10) days from when the grievant should reasonably have known of the occurrence, not including the day of occurrence.
- B. Grievance involving discharge, demotion, reduction in rank or compensation or suspension shall be filed at Step 2 within fifteen (15) calendar days after notice thereof is given to the employee.
- C. Management will answer the grievance in writing within ten (10) calendar days of the date of the presentation of the grievance not including the date of the presentation.

Step 2

- A. The Union may initiate a demand for arbitration of any grievance that is arbitrable by serving written notice to arbitrate a grievance with the City Labor Relations Department within fifteen (15) calendar days after receipt of Management's answer to Step 1, not including the day of receipt of answer. Upon receipt of the Union's notice of intent to arbitrate, the parties shall meet and attempt to resolve the grievance.
- B. In cases involving discharge, demotion, reduction in rank or compensation, or suspension, the Union may at its discretion initiate a demand for arbitration within fifteen (15) calendar days after the employee receives written notice of such disciplinary action from the City Manager, not including the day of receipt of such notice. However, in the event of the employee's election to file an appeal of such disciplinary action with the Civil Service Board, the right of the Union to proceed to arbitration shall be and is waived.
- C. The parties agree to utilize the following persons as arbitrators:

Kathryn A. VanDagens
Benjamin A. Kerner
Stanley T. Dobry

Cases may be assigned by the parties on a rotating basis. Either party may reject any or all of the listed arbitrators on any particular case. In such event, the parties shall select an arbitrator from a list provided by the Federal Mediation and Conciliation Service.

D. ARBITRATOR'S POWERS.

The power of the arbitrator shall be limited to the interpretation and application of the express terms of this Agreement, and the arbitrator shall have no power to alter, add to, subtract from, or otherwise modify the terms of this agreement as written. The arbitrator shall further have no power to decide claims based on the U.S. or Michigan Constitutions or based on local ordinances, state or federal laws and regulations, whether or not such constitutions, ordinances, laws or regulations are mentioned, referred to, listed in, or arguably incorporated into the terms of this agreement. Decisions on grievances within the jurisdiction of the arbitrator shall be final and binding on the employee or employees, the union, and management. If the issue of arbitrability is raised, the arbitrator shall not determine the merits of any grievance unless arbitrability has been affirmatively decided, and either party may request a bifurcated hearing in any proceeding in which the arbitrability of the grievance is at issue.

In a termination of employment case in which the arbitrator overturns the termination, if the employer seeks to vacate the arbitration award through court action, the employer shall immediately place the employee on the payroll with normal benefits until the final court action is completed. If, after the final court action, the employer is successful in vacating the termination award it may immediately remove the employee from the payroll, but may not seek to recover any wages or benefits paid during the court action.

When an employee provides false information during a Section 8 hearing which pertains materially to the nature of the complaint being investigated, the parties agree that such violation shall be considered proper cause for summary discharge. In such cases, the arbitrator shall be limited to a determination of the facts only and shall have no authority to modify the discipline imposed if the facts support the violation.

- E. The fee and expenses of the arbitrator shall be paid by the Union if the grievance is denied, by the Employer if the grievance is granted, or as the arbitrator directs otherwise. Management shall, upon request, make employees who are on duty available as witnesses. Each party shall make arrangements and pay for the expenses of witnesses called by them. Each party shall fully bear its costs regarding witnesses and any other persons it requires or requests to attend the arbitration.

The Union President or his/her designee shall attend all arbitration proceedings without loss of compensation in any manner. If arbitration proceedings are held on the Union President's or his/her designee's regular workday, preparation for and attendance at the arbitration shall constitute his/her full workday.

- F. It is specifically and expressly understood and agreed that submission of a grievance to arbitration constitutes a waiver of any and all rights by the appealing party and all persons it represents to litigate or otherwise contest the appeal subject matter in any court or other forum, excluding any action properly taken under Title VII of the Civil Rights Act of 1964, as amended.

ARTICLE 9

PAYMENT OF BACK PAY CLAIMS

Section 1. Back wages and/or benefits will be paid to an employee upon a finding that said employee is entitled thereto, in such amounts as may be determined through the grievance procedure. The employer, upon a finding, shall pay the employee within thirty (30) days of receipt of the Arbitration Decision.

Section 2. No claim for back pay or wages shall exceed the amount of pay or wages the employee would otherwise have earned at his regular wage or pay rate. Any claims for back pay shall be reduced

by interim employment earnings and/or unemployment compensation, if directed by the arbitrator or Civil Service Board.

ARTICLE 10

DISCHARGE AND DISCIPLINE

Section 1. In cases of discharge or discipline, a representative of Management shall give prompt notice thereof to the employee and to the President of the Union.

Section 2. The affected employee will be allowed to discuss his/her discharge or discipline with his/her steward, or other Union representative, and Management will make available an area where he/she may do so if he/she is required to leave the premises.

Section 3.

- A. In imposing any discipline on a current charge, Management will neither take into account any prior infractions which occurred more than two (2) years previously nor impose discipline on an employee for falsification of his/her employment application after a period of two (2) years from his/her date of hire. In the event an employee completes two (2) years of service without a disciplinary action, letters of warning and/or suspension over two (2) years old shall be permanently removed from his/her personnel file upon request to the Director of Human Resources. Except to show notice or knowledge when such is in dispute, discipline which has been or could be removed from an employee's personnel file shall not be introduced in an arbitration hearing.
- B. Every employee shall be entitled to and shall receive a copy of any and all notices, reports, complaints, or other information filed by an employee, supervisor, or any other City Officer or Department or Division Head in the employee's personnel record which relates to, is or may be made the basis for disciplinary action up to and including the discharge of such employee by the City.

Section 4. If Management has the reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relationship principles.

Section 5. Management shall not discipline or discharge any employee except for just cause.

Section 6. Written notice of disciplinary action or discharge shall cite the specific sections of rules and regulations and/or appropriate law(s) or ordinance(s) which the employee is alleged to have violated.

Section 7. An employee against whom charges have been made by Management may be represented by a Union representative or an attorney retained or employed by the union upon request of the employee.

Section 8. Investigatory Complaints

In the event a complaint is made against an employee which may result in disciplinary action, the following procedure shall apply:

- A. If, in the investigation of a complaint, an employee is requested to appear before a member of Management, he or she shall be fully advised of the nature of the complaint and that the investigation may result in disciplinary action.
- B. Upon the request of the employee for Union representation, such request shall be granted and the Union shall immediately or within a reasonable time depending on the circumstances provide such representation. When such representation has been requested, no questioning shall commence until the Union representative is present.

- C. An employee shall be required to answer questions relating to his/her performance as an employee of the Police Department as it relates to the complaint. Refusal to answer such questions shall result in disciplinary action up to and including discharge.
- D. A copy of this section shall be presented to any employee subjected to this procedure prior to the start of questioning. Said copy shall be signed by the employee to indicate receipt and shall also indicate his/her waiver of right to Union representation, if any.

Section 9. Written Counseling and Discipline

- A. It is understood that the issuance of a written counseling by the department is not considered by the parties to be disciplinary action. It is the intent of such written counseling to document in writing the discussions held with the employee regarding what the department expects as far as his/her behavior, work performance and/or compliance with identified rules, regulations, procedures and/or policies.
- B. If written counseling is issued to an employee, a copy will remain in that employee's personnel file for a minimum of one (1) year from date of issuance. If during that one (1) year period there are no further behavior or performance issues addressed with that employee either through additional counseling or discipline, the employee may submit a request to the Director of Human resources to have the written counseling permanently removed from his/her personnel file.
- C. If additional counseling is issued during the one (1) year period, the written counseling remains in the employee's personnel file and he/she shall be required to achieve another one (1) year period from the date that subsequent counseling is issued before he/she can request to remove counseling documents placed in his/her personnel file during the prior period. If disciplinary action occurs during the one (1) year period based upon similar behavior or performance issues, the two (2) year period as proved in Section 3A above shall apply to the related written counseling(s) and the disciplinary action.
- D. The parties acknowledge that the intent of Section 3A above is to require an employee to complete two (2) years of service without disciplinary action prior to applying the contractual bar that Management will not take into account any prior infractions which occurred more than two (2) years previously. The two (2) year period shall run from the date of infraction on which the previous discipline is based to the date of the current infraction. Any infractions(s) within that two (2) year period that entails disciplinary action and is upheld by an arbitrator (if appealed) shall restart the two (2) year period effective the date of that subsequent infraction.

This understanding is intended to amend the express provisions of Section 3A above as interpreted by Arbitrator Mario Chiesa in his opinion and award for POLC 6-92 dated April 16, 1993.

Section 10. Suspensions Disciplinary suspensions shall be given in hours.

ARTICLE 11 **SENIORITY**

Section 1. Definitions

Seniority shall mean the status attained by length of service in a particular rank.

Section 2. Accrual of Seniority

- A. Establishment of relative seniority for bargaining unit members shall be determined as follows:

1. Employees hired as Police Officers (i.e. those employees hired with MCOLES certification established) shall be considered to have higher seniority than those employees hired as Police Recruits (i.e. those employees hired who must go through academy or other training in order to receive MCOLES certification) on the same date. This date shall be reflected as the hire date on the seniority roster maintained by the department.
 2. If Police Officers and/or Police Recruits with the same hire date are assigned to patrol duties or other full duties following initial training and department orientation on different dates, the Police Officer or Police Recruit with the earlier date of assignment shall be considered to have higher seniority than other employees within his/her respective rank. This date shall be reflected as the seniority date on the seniority roster maintained by the department. An employee assigned to full duties prior to completing his/her training and department orientation shall be assigned a seniority date the same as the majority of his/her class.
 3. If Police Officers and/or Police Recruits have the same hire date and same seniority date (as defined above), seniority ties within the respective ranks shall be broken by a summation of the digits of the employees' full social numbers. Those employees with the higher total of the digits shall be considered higher in seniority.
 4. In cases where Police Officers and/or Recruits have a tie in the summation of their social security number digits which precludes that method from breaking a tie in relative seniority, the department shall break such ties between such employees by a flip of the coin. Relative seniority shall then be recorded by the order listed on the seniority roster maintained by the department and numbered.
- B. All original appointments of newly-hired employees to positions in the bargaining unit shall be probationary and subject to a probationary period of six (6) months after appointment, except the position of Police Officer which shall be subject to a probationary period of twelve (12) months. At any time during the probationary period, the City Manager may discipline or discharge the probationary employee. Any employee so disciplined or discharged during the probationary period shall have no recourse to the grievance procedure.
- C. All promotional appointments shall be probationary and subject to a probationary period of six (6) months after appointment. At any time during the probationary period, the City Manager may demote an employee whose performance does not meet the required work standards. Any employee on probation in a promotional appointment shall have the right to return to his/her previous appointment upon demotion, except that Police Recruits who fail to successfully complete the six (6) month probationary period for the position of Police Officer shall be terminated without recourse to the grievance procedure.

Section 3. Loss of Seniority

An employee shall lose his/her seniority and his/her employment shall be terminated for the following reasons:

- A. Discharge, if not reversed.
- B. Resignation: An employee absent for three (3) consecutive normally scheduled work days without notification of valid reason to the City, and who has no legitimate reason for not notifying the City of his absence, may be considered as having resigned.

- C. Unexcused failure to return to work when recalled from layoff, as set forth in the recall procedure.
- D. Unexcused failure to return to work after expiration of a formal leave of absence.
- E. Retirement
- F. Layoff for a continuous period of six (6) months or the length of the employee's total continuous service in the Police Department, whichever is greater. ARTICLE 13

SHIFT PREFERENCE

Section 1. Definitions

"Needs of the service" for the purpose of this Article shall be defined as an action taken for objective and reasonable needs after employees are assigned their service area and after management has assigned the number of slots.

Section 2.

- A. When the needs of the service permit, seniority shall be recognized as the basis of shift and starting time assignment.
- B. Shifts and starting times shall be posted in the Uniform Patrol Teams, and such other divisions providing 24-hour service utilizing more than one shift, semi-annually for a period of seven (7) calendar days. Employees assigned to such teams or divisions shall indicate their shift and starting time preference by bidding in February and August of each year.
- C. Upon completion of the bidding period, management shall provide at least twenty-one (21) calendar days' notice of the employees' shift, starting time, and schedule assignments prior to the effective date of the new schedule.
- D. An employee reassigned or transferred between shift bid periods shall be allowed to select their shift and starting time on a seniority basis, subject to the "needs of service."
- E. If a vacancy occurs on a shift or starting time with at least two (2) months remaining in the shift bid period and the vacancy is to be filled by the Employer, the most senior unsuccessful bidder for that shift during the last shift bid shall have preference for the shift assignment subject to the needs of the service.
- F. If in the future work shifts for Community Police Officers are expanded to more than one shift, the parties agree that shift bidding amongst Community Police Officers as provided in this section shall be provided.

Section 4. Shift Adjustment

Management retains the right to adjust the shift hours; however, there will be no partial adjustments and any change in shift hours will affect the entire shift. At least seven (7) calendar days' notice will be given in the event shift hours are to be altered, except in the case of circumstances beyond the control and knowledge of Management such as acts of God, riots, flood, civil disorder and similar acts. Except in exigent circumstances, management shall not allow employees to voluntarily adjust their shift hours for a duration of more than one pay period without consent of the union president.

Section 5. Temporary Reassignment for Training

As an exception to the prohibition of partial shift adjustments under Section 4 above, Management reserves the right to make temporary reassignments of personnel to the Training division in order to accommodate necessary training schedules. Employees shall be provided advance notice of such reassignments for training and any changes in his/her bid shift hours. Except in the case of circumstances beyond the control and knowledge of Management, seven (7) calendar days' notice shall be given in the event an employee is temporarily reassigned from a bid shift to the Training division in order to accommodate necessary training schedules. Such notice shall be in writing and copies shall be given to the affected employee and the Union. If it is found that such notice has not been provided within the requisite days prior to the reassignment, Management may rescind the reassignment or shall pay the employee overtime for all hours worked outside his/her bid shift hours.

ARTICLE 14 **OVERTIME**

Section 1. Purpose

The following provisions shall govern compensation for overtime to law enforcement personnel in the bargaining unit. It is intended that the provisions of this Article comply with the provisions of the Michigan Minimum Wage Act of 1964 PA 154, MCLA 408.381.

Section 2. Definitions

A. Normal Work Week and Work-Day

Management will not reduce the regular work schedule to less than eighty (80) hours in a two (2) week period in lieu of layoff.

B. Overtime

Overtime shall consist of authorized work in excess of the normal number of hours in any scheduled work-day or any work week, not including meal periods. Overtime shall be computed to the nearest one-quarter ($\frac{1}{4}$) hour (fifteen [15] minutes).

C. All overtime shall be authorized by a responsible supervisor.

D. Time worked in excess of the normal work week for the purpose of adjusting so-called swing shifts in a three-shift operation shall not constitute overtime.

Section 3. Method of Compensating for Overtime Work

A. Overtime shall be paid at one and one-half ($1\frac{1}{2}$) times the employee's hourly rate.

B. An employee called in for a court appearance, which shall include probate hearings, implied consent hearings, Michigan Liquor Control hearings, or any other administrative hearings, outside his/her regular hours shall receive mileage provided by the court and shall have a minimum guarantee of three (3) hours at time and one-half ($1\frac{1}{2}$) for such time spent in court.

- C. Callback shall be anytime that an employee is ordered into work during times other than his/her normal working hours. The provisions of callback shall not apply if the callback period starts 15 minutes or less after the end of his/her normally scheduled shift or ends 15 minutes or less before the start of his/her normally scheduled shift. Callback shall have a minimum guarantee of two (2) hours at time and one-half (1½) for such work.
- D. For the purpose of computing overtime, an employee absent on authorized sick leave with pay, jury leave with pay, holiday or on vacation, shall be considered to have worked his/her normal work shifts during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.

Section 4. Compensatory Time Off

At the request of any employee eligible for overtime pay, his/her supervisor may provide that in lieu of cash payment for any overtime, he/she may be allowed time off with pay at the rate of one and one-half (1½) hours for each hour of overtime worked. Appearances before the Accident Review Board, Internal Affairs Unit, and attendance at in-service training classes shall be at the rate of time and one-half (1½) for each hour of overtime worked. Any such time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor during the calendar year or three (3) months following the end of the calendar year in which the overtime was worked. Further deferment of such time off shall be allowed only if approved by the City Manager. In the event that such time off is not taken by the employee within the limiting time, he/she shall be given cash payment for the overtime hours worked at the overtime rate based on his/her salary at the time of the payment of overtime. Compensatory time may be accumulated as provided above; however, no law enforcement personnel shall be permitted to accumulate more than four hundred and eighty (480) hours. During the calendar year in which the overtime was worked, the employee may request cash payment for a portion or all of the available compensatory time.

Section 5. Overtime Distribution for Special Events

Officers and sergeants may sign up for pre-planned overtime events using the filemaker system. Events are typically posted 3-4 weeks in advance to allow adequate time to sign up. However, some exceptions are events that are last minute in nature or the department does not receive advance notice that an event is scheduled to occur. If possible, final assignments will be posted 1-2 weeks prior to the event date.

Once the events are posted, personnel shall be chosen for the assignments based on a rotating list of when the officer worked last. For example, if an officer worked an event 2 days prior and another officer is on the signup list and last worked an event 3 days prior, the officer who worked 3 days prior will be chosen.

For the next event, the officer not chosen will then be ahead of the officer chosen. This procedure is intended to ensure that all personnel are given a fair chance to be chosen for each assignment. Currently there are 3 separate standard rotation lists that are used to determine assignments:

1. Rapid transit center
2. Voluntary overtime shift (vos)
3. Recruiting

The signup for each of the above lists is rotated independently. If one signs up for any of the above standard events, it will not count toward rotation eligibility for all other events (arena, devos place, parades, festivals, st. mary's etc.). All events besides the above standard events lists shall be computed as one rotation for signup eligibility.

Once an officer is assigned to an overtime event, that officer is responsible for working the event as assigned. For officers who need to cancel from an event for whatever reason, it is recommended that

a mutual switch be made with another officer so as to avoid forfeiture of one's overtime. If another officer cannot be found to work one's assigned overtime, the originally assigned officer continues to be responsible for working the assigned event. If an officer has another officer cover their assigned event, that officer who originally signed up for the event will forfeit his/her spot on the rotation list and will be placed at the bottom of the rotation list as if he/she had worked the event.

For events that do not get enough volunteers, an order in of personnel will be done on a seniority basis, taking into account work schedules and any pre-planned approved leave.

Sick leave usage shall be charged to the nearest one tenth (1/10) hour.

Section 4. Permitted Uses

- A. Regular Use
An employee shall be entitled to use his/her accumulated paid sick leave for any absence necessitated by his/her personal illness, the employee's minor child, his/her spouse or by off-duty injury not incurred in supplemental employment, upon application approved by the Police Chief.
- B. Emergency Use
 - 1. An employee shall be entitled to use up to three (3) days of his/her accumulated paid sick leave for any absence necessitated by serious injury, acute critical illness or death of any member of his/her immediate family, upon application approved by the Police Chief. Extension of time shall be permitted in exceptional circumstances upon application approved by the City Manager.
 - 2. An employee shall be entitled to use one (1) day of his/her accumulated paid sick leave for absence necessitated by death of an aunt, uncle, or great-grandparent.

3. An employee shall be entitled to take up to two (2) days paid leave, without charge to sick leave, upon the death of any member of his/her immediate family, including son-in-law and daughter-in-law. One day may be used, as reasonably necessary, on occasion of childbirth.

C. Vacation Use

An employee shall be entitled to use his/her accumulated paid sick leave in lieu of vacation for illness or injury received while on vacation, upon application approved by the Police Chief and subject to substantiation as hereinafter provided.

D. Compensatory Time Uses

An employee shall be entitled to use his/her accumulated compensatory time in lieu of paid sick leave upon application approved by the Police Chief.

E. PARENTAL LEAVE

Paid Parental Leave is for eligible employees, due to the birth of an employee's child or the placement within an employee's home of an adopted child. The purpose of the Paid Parental Leave Policy is to give parents additional flexibility and time to bond with their new child, adjust to their new family situation, and balance their work obligations.

A. Eligible parents will receive up to eighty (80) hours of continuous leave with pay. Paid Parental Leave is in addition to any other leave for which an employee is eligible. The fact that a multiple birth or adoption occurs (for example, the birth or adoption of twins), does not increase the length of Paid Parental Leave. If both parents are eligible employees, each will be able to utilize the benefit. Paid Parental Leave must be utilized within sixty (60) days following the birth or adoption of a child.

B. Vacation and sick leave benefits will continue to accrue during the period of Paid Parental Leave. The eligible employee's share of the health care premium will be deducted from the eligible employee's pay in accordance with normal practices. Parental Leave shall not be charged to the employees sick leave bank nor charged to any future FMLA claim or leave.

C. An eligible employee must submit a completed Leave Request Form, requesting Parental Leave, to Labor Relations at least thirty (30) days prior to the anticipated date of the leave. To the extent the 30-day notice is not possible; the employee must submit a Leave Request Form to Labor Relations as soon as possible.

D. An eligible employee will be required to furnish reasonable documentation for the birth of a child, such as a copy of "Certificate of Live Birth" or other document verifying the child's birth. An eligible employee will be required to furnish appropriate adoption documentation, such as a letter from an adoption agency, or from the attorney in cases of private adoptions.

Section 5. Excluded Uses

A. Paid sick leave shall not be authorized:

1. For personal injury incurred in supplemental employment.
2. If the employee is found to have performed any work while on sick leave. The term "any work" shall not include such work activity in and around the home of the employee if such work is not detrimental to recovery from the illness or injury causing the absence as determined by the City physician.

Section 6. Substantiation

An employee shall substantiate the use of sick leave by such reasonable means as the Police Chief may require. Falsification of any sick leave affidavit or fraudulent use of sick leave shall be grounds for disciplinary action up to and including discharge.

Section 7. Physical Examination

If a reasonable basis exists, an employee shall submit to a physical examination by the City physician upon the request of the Police Chief. Any employee on authorized absence for more than ten (10) days due to illness or for any period due to injury shall return to duty only after examination and release for work by the City physician.

Section 8. Unpaid Sick Leave

The City Manager shall, upon the advice and recommendation of the City physician, grant unpaid sick leave for up to one (1) year upon application of any employee whose paid sick leave is exhausted. Any extension of such leave shall be subject to the Civil Service Board rules.

Section 9. An employee who expects to be absent on sick leave must notify his/her shift commander as promptly as practical, depending on his/her circumstances, but in any event at least one-half (½) hour prior to the start of his/her scheduled shift. Failure to do so may result in denial of his/her claim for sick leave.

Section 10. The parties agree to allow full time employees who retire or resign to receive one (1) year of pension service credit for all of their unused sick leave time up to a maximum of 1,265 hours. However, employees would not be allowed to use sick leave to acquire eligibility status for attaining said pension.

Unused, accumulated sick leave shall be paid to employees who retire with ten (10) years or more of continuous service to a maximum of ninety (90) days at the rate of one dollar (\$1) per day times the years of continuous service for employees retiring.

As of July 1, 2014, bargaining unit members shall be allowed to utilize either or both of the pay for unused sick leave methods above. Any additional hours above 1,265 hours of accumulated sick leave may therefore be paid off under the applicable monetary formulas above.

Any unused personal leave pursuant to Section 11 shall be included in the calculations when calculating sick leave hours pursuant to this Section.

Section 11. Personal Leave

In an effort to take further steps to place increased value on rewarding the employees who use their sick leave time judiciously and who minimize their time away from work (i.e. attending doctor appointments), this personal leave concept creates an incentive for the employees.

A. Eligibility Requirements

1. Must be a permanent employee with five (5) years or more of service
2. Must maintain the following minimum bank of sick leave hours:
 - a. 360 hours for a 5 – 9 year employee
 - b. 720 hours for a 10+ year employee

The Human Resources Department will review the employees' sick leave banks each December 31st to determine their eligibility.

3. If an employee is determined to be eligible, forty (40) hours (five [5] days) of sick leave shall be automatically converted annually into personal leave time. If an employee does not want sick leave converted to personal leave, he/she must notify the Human Resources department in writing before December 31st of that year.

ARTICLE 21

LEAVE FOR UNION BUSINESS

A total of forty (40) person days with pay per year may be used to attend Union conventions, labor seminars or conferences or other Union business that is mutually beneficial as approved by Labor Relations, provided such leaves are requested in advance and the needs of the service will not be adversely affected by such absence. Such days shall be cumulative for the life of this Agreement and may be carried over into the next Agreement. The employer shall respond to such requests for leave in a timely manner.

ARTICLE 22

JURY LEAVE

Section 1. Employees shall be given leave of absence with pay for working time lost when called to serve on jury duty. Such employees shall be paid at their regular rate for all working time lost up to forty (40) hours per week. In consideration of receiving their regular pay, employees shall assign to the City all other remuneration received for jury duty during the same period.

Section 2. An employee whose regular work shift is at a time other than the day shift who is called upon to serve jury duty shall upon request be temporarily reassigned to the day shift for the days on which he/she is actually assigned to serve on a jury.

ARTICLE 23

INSURANCE

Section 1. Health Insurance

A. Active Employee Health Care

The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental, and optical expenses for active City employees and their eligible dependents. Active City employees and their eligible dependents participate in this group health care plan. A summary of the coverage available through the City's group health care plan is contained in the Summary Plan Document booklet. The specific terms and conditions governing the group insurance program are set forth in detail in the Plan Document created by the City, a copy of which is incorporated by reference as a part of this collective bargaining agreement.

Effective July 1, 2016, coverage for yearly physicals was changed from once every 365 days to once every calendar year.

EFFECTIVE JANUARY 1, 2020 THE FOLLOWING CHANGES WILL BE MADE TO THE HEALTH CARE PLAN:

- A. Add a 20% in/out of network differential. The city's normal in-network co-insurance amount is 80/20. If a member chooses to use an out-of-network service, the co-insurance would be 60/40 until the employee reaches the \$850 maximum out-of-pocket amount. Copays for doctor visits, urgent care, and emergency room remain unchanged.

B. RX copay structure

- i. generic- copay of \$10
- ii. brand preferred- copay of \$20
- iii. brand non-preferred- copay of \$40
- iv. specialty preferred- copay of 5% up to a maximum of \$100.
- v. specialty non-preferred - copay of 5% up to a maximum of \$200

C. The maximum price covered is the generic cost if available and the member would pay the difference if the member chooses a brand name drug when a generic is available. DAW I exceptions would be granted when a physician certifies that the brand name drug is medically necessary, and the member cannot take a generic drug.

D. Employer will cover e-visit cost at 100% (zero co-pay)

E. Establish an insurance committee that will meet and discuss health care benefit changes. The committee will be comprised of one representative from each union and three city designates.

F. Vision, free exams, \$10 co-pay for standard lenses, \$150 allowance for contacts, and \$150 frame allowance.

G. Dental, increase limit to \$1,200, preventative cleanings/exams/x-rays at 100%, dental implants, wisdom teeth extractions covered under medical.

Effective January 1, 2015 the following changes will be made to the health care plan:

Annual Deductible	\$150
Co-insurance	80%/20%
Maximum out of pocket	\$850
Emergency room co-pay	\$100

Multi-Tiered prescription drug plan as follows:

Tier One	\$10 mandatory generic with a retail 90 day supply
Tier Two	\$20 brand
Specialty Drugs	As outlined in Appendix C
Mail Order Maintenance	\$50 Brand only with a 90 day supply

Usual, Customary, and Reasonable (UCR) charges. Usual, Customary, and reasonable shall be determined by FAIR Health Inc., or the successor industry standard. Usual, customary, and reasonable provisions will apply to non-hospital services. The 90th percentile will be used to calculate how much to pay for out-of-network services. The City agrees to work with the Union on addressing the issue of usual, customary and reasonable with members who receive services out of state and are unable to find any in-network providers in their area. In-network is already deemed to be UCR.

Effective January 1, 2009, the following changes to or additions to benefits and co-payments became effective:

1. The office visit co-pay shall be increased to \$20 from \$10 which shall be applied to doctor's office visits, chiropractic services (consultations and subsequent adjustments and treatments), and behavioral health (mental health) office visits.

2. Employee dependent coverage under this Article shall comply with the age provisions of the affordable care act (ACA), if applicable, or whatever coverage is negotiated between the parties.
3. When using prescription drug benefits for which there is an alternative over-the-counter substitute for proton pump inhibitors (PPI drugs), H2 blockers (h2 receptor antagonists), non-sedating antihistamines, and/or non-steroidal anti-inflammatory drugs (NSAID), an over-the-counter alternative drug must first be prescribed and utilized. If determined by the doctor to be ineffective or to have a contraindication after first trying the over-the-counter alternative drug, a prescription may then be written and filled to provide the generic or name brand prescription drug for treatment of that diagnosed medical condition.
4. Employees share in the cost of their health care coverage by paying a ten percent (10%) health care premium contribution each two-week pay period. The employee health care premium contribution payment is based on ten percent (10%) of the City's actuarially estimated annual health care cost as applied without regard to the category of coverage (i.e. single employee, employee and one dependent, and employee and two or more dependents). Effective January 8, 2012, the employee health care premium contribution payment increases to 20% of the City's actuarially estimated annual health care cost as applied without regard to the category of coverage.

The City's actuarially estimated annual health care cost is based upon the blended rate for all active employees and pre-65 retirees. In the fall of each year, the City receives an actuarial report that contains two separate calculations: the first is a calculation of the estimated cost to provide health care coverage to its active employees, pre-65 retirees, and their eligible dependents for the upcoming calendar year, and the second is a calculation of the estimated cost to provide health care coverage to the retirees 65 and older and their eligible dependents for the upcoming calendar year. These estimated cost figures are utilized for health care contribution purposes effective on the first pay day on or after January 1st of the upcoming calendar year. Employees pay 1/26th of their percentage portion of the annual health care cost each two week pay period.

Beginning with the rate change that shall be effective in January 2012, the rate established by the actuary shall be adjusted to account for any over or under funding from prior years. The over or under funding amounts experienced for the prior fiscal year ending June 30th shall be recognized over the subsequent three years (i.e. three year smoothing of actual to estimate true up).

Effective January 1, 2019 the health care employee premium sharing rates will be based on the categories of single/double/family.

5. The City reserves the right to create an alternate high deductible health care plan with a City sponsored Health Savings Account and offer that plan on a voluntary basis to active employees.
6. If a working spouse has health care coverage through his/her employer, coverage provided by his/her employer shall be primary while the City's plan shall be secondary.
7. There shall be an annual \$600 cap on proton pump inhibitor (PPI) drugs. The over-the-counter (OTC) program as agreed to by the parties shall remain in effect, and no employee co-payments shall be required for the OTC proton pump inhibitor drugs

dispensed under that program. However, if the annual \$600 cap on PPI drugs dispensed in a manner other than under the OTC program is reached, the applicable co-pay shall thereafter be doubled (i.e. the \$20 co-pay for brand name drugs shall be increased to \$40 and the \$10 co-pay for generic drugs shall be increased to \$20) during the remaining annual period. The City shall continue to pay its portion of the cost for the PPI drug prescription less the increased co-payment by the employee.

8. Coordination of Benefits: Once the spouse or surviving spouse becomes eligible for Medicare to the extent stated in federal law, Medical will pay primary, secondary, or last. When Medicare is to be the primary payer, the City's plan will base its payments on benefits that would have been paid by Medicare under Parts A and B regardless of whether or not the person was enrolled under both of these parts.
9. High Deductible Health Insurance Plan (See Appendix C LOU #8)
10. Wellness Plan (See Appendix C LOU #9)

B. Retiree Health Care

The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental, and optical expenses for retired City employees and their eligible dependents. Retired City employees and their eligible dependents participate in this group health care plan. A summary of the coverage available through the city's group health care plan is contained in the Summary Plan Document booklet. It is agreed that Management will pay the hospitalization insurance premium for the retiree, spouse, and eligible dependents between those years of age of the retiree between 50 and 64 inclusive. Spouse is understood to be that person to whom the retiree is married at time of retirement. This benefit is limited to those individuals who are the spouse and/or qualified dependents of the retiree at the time he/she begins receiving a pension allowance. In the event the retiree dies after retirement between the ages of 50 and 64 inclusive, the spouse, if any, will continue to have the hospitalization insurance premium paid by Management until such time as the retiree would have reached age 65, provided that the retiree was participating in the pre-65 retiree health care plan at the time the retiree died. The surviving spouse would be eligible for City contributions toward the payment of retiree health care plan premium costs on the same basis that the retiree was eligible. Eligibility for continued coverage in the City's pre-65 retiree health care plan and City contributions toward the payment of retiree health care plan premiums end if the former spouse becomes married to another individual or is covered by health care coverage under the plan of another employer. The parties agree that the hospitalization insurance premium of retirees provides the benefit improvement of student dependent coverage to age 23. Employees who vest their retirement and leave prior to attaining age fifty (50), shall be eligible for hospitalization benefits, at City expense, provided for in this Agreement, upon reaching age fifty (50).

City of Grand Rapids Sponsored Group Health Care Plan: For employees that were vested in the City's pension plan on or before December 17, 2008, it is agreed that Management will pay a retiree's vested portion of the hospitalization insurance premium pursuant to this Section for the retiree, spouse, and eligible dependents between those years of 50 and 64 inclusive of the retiree. In the event the retiree dies after retirement between the ages of 50 and 64 inclusive, the spouse, if any, will continue to be eligible to have a portion of the hospitalization insurance premium paid by Management until such time as the retiree would have reached age 65. Spouse is understood to be that person to whom the retiree is married at time of retirement.

The City will make a contribution towards the percentage portion of the cost of the pre-65 service and disability retiree health insurance not covered by the retiree direct contribution (the "City Contribution") based upon the number of complete years of service the retiree had with

the City as of their date of retirement. The minimum eligibility for any City Contribution towards retiree health insurance costs is 10 years of City employment, with the amount the City will contribute increasing by each additional complete year of City employment in accordance with the following:

10 years of service	40.0%
11 years of service	44.0%
12 years of service	48.0%
13 years of service	52.0%
14 years of service	56.0%
15 years of service	60.0%
16 years of service	64.0%
17 years of service	68.0%
18 years of service	72.0%
19 years of service	76.0%
20 years of service	80.0%
21 years of service	84.0%
22 years of service	88.0%
23 years of service	92.0%
24 years of service	96.0%
25 years of service	100.0%

For any member retiring with less than 25 years of credited service, the City's contribution rate of 4% per year will be pro-rated for the member's last partial year of credited service at a rate of one-twelfth (1/12) of 4% for each completed month of credited service in the last partial year of service.

Service retirees can begin receiving pre-65 retiree health care benefits at age 50 with ten (10) years of service at their earned percentage. Disability retirees can begin receiving pre-65 retiree health care benefits when they begin to draw a pension as if they had worked the number of years necessary to earn a maximum benefit.

The premium sharing contribution (the "retiree direct contribution") to be paid by pre-65 service and disability retirees who retire on or after December 17, 2008, shall be the same as paid by active employees, as the same may be changed from time to time. The pre-65 retiree health care premium sharing payment would be applied uniformly without regard to the category of coverage (i.e. single pre-65 retiree, pre-65 retiree and one dependent, and pre-retiree and two or more dependents). Cost would be defined as the blended rate for all active employees and pre-65 retirees.

The health care plan for pre-65 retirees will be the same as provided to active employees including deductibles, copayments, co-insurance, and benefit design changes, as the same may change from time to time.

Coverage under the City's pre-65 retiree health care plan is limited to those individuals who are the spouse and/or qualified dependents of the retiree at the time he/she begins receiving a pension allowance. In the case of a disability retirement, granted in accordance with the provisions of Section 1.252 of the City of Grand Rapids Police and Fire Retirement System Ordinance, the spouse and qualified dependents of the retiree (at the time the disability retirement is granted by the Board) shall be eligible for retiree health care benefits until the time the retiree reaches or would have reached age sixty-five (65). If the retiree and the spouse at the time of retirement should have further children after retirement or legally adopt children after retirement, such children by birth or legal adoption shall also be considered to be a qualified dependent for the first two (2) such births and/or adoptions only. No further qualified dependents may be added due to birth or legal adoption after the retiree reaches age fifty (50). Spouse is understood to be that person to whom the retiree is married at time of retirement.

Service and Disability Retirees: Employees who retire as service retirees or disability retirees are eligible to continue to participate in the City of Grand Rapids pre-65 retiree health care plan, as the same may be changed from time to time. A service retiree is an individual who immediately upon leaving active City employment is eligible for and begins receiving a retirement allowance under Section 1.244 of the Police and Fire Retirement System Ordinance, but does not include an individual receiving a retirement allowance under Section 1.250. A disability retiree is an individual who immediately upon leaving active City employment is eligible for and begins receiving a retirement allowance under Section 1.252(1) or Section 1.252(3).

Eligible service retirees between the age of fifty (50) and sixty-four (64) inclusive and eligible disability retirees between the age of disability retirement and sixty-four (64) inclusive who elect to suspend their coverage because they have other available coverage shall be permitted to re-enter the City of Grand Rapids pre-65 retiree health care plan at a later date, provided however that a spouse and/or dependents who were not eligible at the time of suspension cannot be added to the coverage at the time of re-entry.

C. Deferred Retirement

A member with ten (10) or more years of credited service as of December 17, 2008, who ceases to be a member, except by death or retirement, before attaining the minimum service retirement age of fifty (50) shall be allowed to qualify for pre-65 retiree health care coverage provided he/she upon reaching age fifty (50) applies for retirement in accordance with Section 1.250 of the City of Grand Rapids Police and Fire Retirement System Ordinance and also applies for City pre-65 retiree health care coverage.

A member with less than ten (10) years of credited service as of December 17, 2008, who ceases to be a member, except by death or retirement, before attaining the minimums service retirement age of fifty (50) shall not be eligible for City pre-65 retiree health care coverage upon application for retirement in accordance with Section 1.250 of the City of Grand Rapids Police and Fire Retirement System Ordinance. This paragraph shall also apply to all new hires on or after December 17, 2008.

Section 2. Retiree Healthcare Savings Accounts (RHSA's)

The City and employee contributions to the defined contribution retiree health care plan (the RHSA) shall be effective December 17, 2008. The amount of the City and the employee annual contributions shall be reduced on a pro-rata basis to reflect the number of bi-weekly pay periods which have passed between July 1, 2008 and December 17, 2008.

A. New Hires

Employees hired on or after December 17, 2008, shall be eligible after six months of service only for a defined-contribution retiree health care savings account. To aid employees in making their employee contribution to their Retiree Health Care Savings Account, their employee contribution shall step up on employee's anniversary date coinciding with their step increases to permit them to provide increasing employee contributions in accordance with the following:

1. After six months of service, new hires shall make contributions at the annual rate of \$375 (\$14.42 gross per bi-weekly payroll) for six months during which time the City shall make contributions at the annual rate of \$750, payable in bi-weekly pay period increments (i.e. \$28.85 gross per payroll).
2. For the next year of service, the employee shall make contributions at the annual rate of \$750 (\$28.85 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of \$1,500, payable in bi-weekly pay period increments (i.e. \$57.69 gross per payroll).
3. For all years thereafter the employee shall make contributions at the annual rate of \$1,100 (\$42.30 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of \$2,000, payable in bi-weekly pay period increments (i.e. \$76.92 gross per payroll). After 6 months of service, employees may make additional post tax contributions up to the IRS allowed maximum.
4. The City funded portion of defined contribution retiree health care system upon achieving ten (10) years of service under the City's defined benefit pension system. If employees hired on or after December 17, 2008 separate from City employment prior to achieving ten (10) years of service in the City's defined benefit pension system, they will only be entitled to receive the employee contributions and investment earnings on those employee contributions from their defined contribution retiree health care saving.

B. Mandatory Conversion

Employees hired before December 17, 2008, who did not have ten (10) years of service in the City's defined benefit pension system as of December 17, 2008, shall be eligible only for a defined-contribution retiree health care savings account. These employees shall receive an Initial City Contribution into their Retiree Health Savings Account that shall be actuarially determined based on the present value of their future benefit as of July 1, 2008. This Initial City Contribution will be the greater of:

- The actuarially determined present value of the accrued benefit multiplied by 90%. This result will be multiplied by a percentage determined by reducing 100% by .75% (three quarters of one percent) for each month that the employee is below the age of 50;

Or,

- The actuarially determined present value of the accrued benefit multiplied by 90%. This result will be multiplied by a percentage determined by multiplying the months of service as of July 1, 2008, by one-quarter percent (.25%).

This account will also be funded with ongoing contributions as follows:

1. The employee will make contributions at the annual rate of \$1,000 (\$38.46 gross per bi-weekly payroll).

2. The City shall make contributions at the annual rate of \$1,750, payable in bi-weekly pay period increments (i.e. \$67.30 gross per payroll).

If these employees separate from City employment, they shall, in accordance with IRS regulations and plan provisions, be entitled to receive the Initial City Contribution to their defined contribution retiree health care savings account, the annual City contributions, their annual employee contributions, and all investment earnings from their defined contribution retiree health care savings account when they leave City Employment.

Phase-In of Employee Contributions to His / Her RHSA: There will be no employee contribution during the six (6) month period after December 17, 2008; and the employee contribution during the period from six (6) months after December 17, 2008 through June 30, 2009 shall be \$500.

C. Voluntary Conversion

Employees shall be given the option to convert to the defined contribution health care plan. The conversion must occur on or before June 30, 2009. The conversion amount shall be the greater of (a) 5% of the actuarially determined present value of the accrued benefit or (b) the actuarially determined present value of the accrued benefit multiplied by 90% multiplied by a percentage determined by reducing 100% by .75% (three quarters of one percent) for each month that the employee is below the age of 50.

Section 3. Death and Disability Health Coverage

A. Disability Retirees

The City will pay the medical and hospitalization insurance premium for an employee who is disabled pursuant to Section 1.252 of the City of Grand Rapids Police and Fire Retirement System Ordinance until such time as the employee is eligible for Medicare or reaches age 65, whichever occurs first. Beginning September 1, 1989, the City will also pay the premiums for the disabled employee's spouse and eligible dependents. The spouse and qualified dependents of the retiree (at the time the disability retirement is granted by the Pension Board) shall be eligible for retiree health care benefits until the time the retiree reaches or would have reached age sixty-five (65). If the retiree and the spouse at the time of retirement should have further children after retirement or legally adopt children after retirement, such children by birth or legal adoption shall also be considered to be a qualified dependent for the first two (2) of such births and/or adoptions only. No further qualified dependents may be added due to birth or legal adoption after the retiree reaches age fifty (50).

Those employees with the retiree health savings accounts who retire due to a duty disability shall be eligible for the same employer sponsored health insurance under the same requirements and conditions as those employees who have employer sponsored retiree health care, with the exception that when they exercise the option to enter or re-enter the employer sponsored health care plan as a retiree, they must first utilize any existing funds in their retiree health savings accounts to pay the applicable premiums of such insurance to the City.

Those employees with the retiree health savings accounts who retire for any other reason including a non-duty disability shall only be eligible for their retiree health savings account funds under the applicable conditions and requirements.

B. Spouse Insurance in the Event of Employee's Death

In the event a person covered by this Agreement dies prior to retirement, Management will pay the hospitalization insurance premium for the person's spouse and dependents until such time as the covered person would have reached age 65. If, however, the spouse remarries or the spouse is covered by another health insurance policy, this provision shall not apply.

Section 4. Death Benefit Payment

- A. Management shall, at its expense, provide a death benefit payment which will provide a payment in the amount of Forty Thousand Dollars (\$40,000) to any employee within the bargaining unit, which benefit shall be payable to the beneficiary or beneficiaries of any such employee whose death does not result from an injury arising out of and in the course of his/her employment with the City. Said benefit shall be payable to the beneficiary or beneficiaries of the employee's choice as designated on the "Designation of Beneficiary" forms which shall be provided by Management and shall be kept on file in the City Personnel Office. Employees shall have the right to change the beneficiary or beneficiaries at any time during their employment with the City by executing a "Change of Beneficiary" form as provided by Management. In case an employee dies and is not survived by a designated beneficiary, or fails to execute a "Designation of Beneficiary" form, said death benefits shall be payable to the administrator or executor of the estate of the deceased employee. All rights to such death benefits shall terminate upon termination of employment by reason of discharge, retirement, resignation or layoff. Termination of employment shall be deemed to occur when an employee ceases to be employed by Management, except that any employee who is granted a leave of absence because of disability or an approved maternity leave will nevertheless be considered still employed. Termination of employment shall not be deemed to include an employee who is under suspension for disciplinary reasons or an employee who shall have been unlawfully dismissed.
- B. In the event that an employee dies and the employee's death occurs as a result of personal injury arising out of and in the course of his employment with Management and the amount of benefits which would be payable under the Worker's Compensation Act would amount to less than Eighty Thousand Dollars (\$80,000), Management shall make a lump sum cash payment equal to the difference between the amount of Eighty Thousand Dollars (\$80,000) and the total worker's compensation benefits. Such payment shall be made to the employee's beneficiary or beneficiaries designated on the "Designation of Beneficiary" form provided by Management or to the administrator or executor of the employee's estate in the absence of execution of said form.
1. For the purpose of determining the lump sum cash payment payable under the provisions of this section, Management shall compute the "total worker's compensation benefits" as of the date of the employee's injury under the circumstances and considering the number of dependents at that time. The "total worker's compensation benefits" shall be computed to include (a) the total weekly benefits provided by the Worker's Compensation Act multiplied by the number of weeks payable (presently 500 weeks); (b) medical expenses payable; (c) burial expenses payable; and (d) any disability payments which have been paid or have become due for injury which is the proximate cause of death.
 2. For the purpose of computing the "total Worker's Compensation Benefits", the spouse and minor children of the deceased employee, and any person or persons partially dependent upon the deceased employee within the meaning of the Worker's Compensation Act shall be considered wholly dependent upon the deceased employee.
 3. During interest based bargaining in 2001, the parties agreed to jointly create a definition for what constitutes death in the line of duty.
- C. No benefits shall be payable under this section unless written application for such benefits is filed with Management by the beneficiary or beneficiaries of the deceased employee designated on the "Designation of Beneficiary" form or by the administrator or executor of the estate of the said deceased employee within one (1) year after an employee's death or within

one (1) year after the beneficiary, beneficiaries, administrator or executor of the estate shall have knowledge or reasonably should have knowledge of their right to make such a claim, whichever occurs later.

- D. In the event that beneficiary, beneficiaries, or estate of the deceased employee shall be paid benefits under subsection "A" hereof and compensation or benefits are subsequently paid or awarded for the same death to any person or persons as a result of any proceeding instituted under the Worker's Compensation Act, against the City, the beneficiary, beneficiaries, or estate of the deceased employee, as the case may be, shall be liable and shall repay to Management the amount equal to the compensation benefits which are paid or awarded up to the sum of Forty Thousand Dollars (\$40,000).
- E. In the event that an employee dies within two (2) years after coverage is extended to the employee under this Section and Article, and it is determined that the employee's death was due to suicide, no benefits shall be payable to any party or parties under this Section.
- F. No determination, presumption or findings made by Management in the application of any of the provisions of this Section and Article shall be binding upon Management in any proceeding of the Worker's Compensation Act, nor shall the same be an admission of liability under said Act.
- G. No action at law or in equity shall be brought by any person or persons to recover under any provision of this Section and Article prior to the expiration of ninety (90) days after application for benefits and proof of death has been filed with Management pursuant to Subsection "C".

Section 5. Supplemental Insurance Fund

Effective July 1, 1989, the City shall contribute .5% of the unit base payroll annually to the supplemental insurance fund. Such fund shall be administered by the Police Pension Board of Trustees in accordance with the provisions of an Ordinance of the City of Grand Rapids. The provisions of the referenced Ordinance shall be developed by the parties in conjunction with the 13th Pension Check Committee.

Section 6. Health Insurance Opt Out

- B. Employees who opt out shall receive \$150 per month. This amount may be used for any City authorized deferred compensation programs (ICMA 457 Plan). Employees are not eligible for opt out payments if they would continue to receive coverage under the City's health care plan through another active City employee or City retiree.
- C. This election shall take place annually. Emergency opt-in shall be provided if the employee loses his/her eligibility for the alternate coverage. Upon submitting appropriate proof of loss of coverage, the employee shall be able to resume the City's insurance coverage.
- D. Every City of Grand Rapids employee must be covered by health insurance.

Section 7. Health Oversight Committee

The parties recognize that to meet the needs of employees in an ever-changing healthcare landscape and take advantage of cost-reduction strategies, the parties agree to form a Health Insurance Oversight Committee comprised of one member of each of the City's bargaining units, management, and health insurance administrative staff.

This committee shall meet on a periodic basis to monitor the performance of the health insurance plan(s), review industry trends, assess plan design, and make recommendations to the Plan Administrator on ways to improve the plan(s). The committee will also assist with marketing and communication ideas for the health insurance plan (s).

The GRPOA agrees to entertain a contract opener(s) during the life of this agreement only for the specific purpose of reducing the cost of health care and/or modifying the benefits herein. If this opener is exercised no changes shall be mandatorily agreed to and either side may elect to stay with the current benefit package at the time of signing of this collective bargaining agreement.

The uniform cleaning allowance was rolled into the base wage prior to calculating the December 31, 2008 increase by adjusting the hourly amount by \$0.1082 per hour and discontinued as a reimbursement payment. It is understood that these payments will no longer be reflected in the additional compensation items (ACI) for pension computation purposes as they will have been incorporated into the base wages.

Management shall, for a period not to exceed a total of twenty-six (26) weeks in any calendar year for any single compensable injury, sickness or disability, supplement without charge to sick leave or vacation, worker's compensation benefits for employees injured on the job by the difference between worker's compensation benefits and their normal weekly earnings, excluding overtime. The supplement shall be determined in such a manner that insures that an employee's workers' compensation and supplement when combined shall not exceed his/her regular allowable take home pay. Said allowable amount shall also include pay for any holidays that he/she would have been regularly paid as provided for in Article 20, Section 2F. An employee eligible for this provision shall be entitled to twenty-six (26) weeks in any calendar year for the same compensable injury, sickness or disability. Calendar year is from January 1 through December 31. In cases involving extraordinary injury, sickness or disability, the time periods contained herein may be extended by the City Manager.

Section 2. In the event an employee receives sick leave compensation and subsequently such employee is awarded worker's compensation for the same period of time, the employee shall reimburse Management for such amounts received as sick leave compensation and Management shall credit an employee's sick leave account with the number of days so used as sick leave.

Section 3. In the event an employee who has a work related injury qualifies to work on a light duty assignment and management offers such assignment, management will work the employee on his/her current shift and rotation if a light duty assignment exists and can be performed on that shift and rotation that the employee qualifies to perform.

ARTICLE 30
AUTHORIZED REPRESENTATIVE

Any action by any Management or Union official named herein may be exercised by his/her duly authorized representative.

ARTICLE 31
SUPPLEMENTAL AGREEMENTS

All supplemental agreements modifying this Agreement shall be in writing and are subject to approval by the duly authorized representatives of the Grand Rapids Police Officers Association and the City of Grand Rapids.

ARTICLE 32
VALIDITY

Section 1. The provisions of this Agreement shall supersede any existing rules and regulations of the City and/or any of its boards or agencies which may be in conflict therewith.

Section 2. If any Article or Section of this Agreement or any addendum thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be reinstated by such tribunal, the remainder of the Agreement and addendums shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

ARTICLE 33
LEGAL REPRESENTATION

Section 3. Management shall provide each employee with legal counsel for acts in the course of his/her employment which give rise to a cause of action under any civil or criminal action. The foregoing shall not apply to any cause of action arising out of (1) ultra vires (unauthorized) acts; (2) gross negligence or willful misconduct; (3) actions taken while under the influence of intoxicating liquor or controlled substances; or (4) workers' compensation claims, grievances, or other claims made against the City of Grand Rapids.

ARTICLE 34

During its life, neither will require the other to engage in further collective bargaining as to any matter whether mentioned herein or not except as such bargaining is provided for herein.

ARTICLE 35
EMERGENCIES

Section 1. In case of circumstances beyond the control of Management, such as an act of God, riot, flood, civil disorder, and other similar acts, the following conditions of this Agreement shall be automatically suspended without recourse from the Union:

A. Time limits for Management and Union replies on grievances.

Section 2. In addition, and notwithstanding other Articles of this Agreement, Management reserves the right, during any such emergency, to assign employees to work without regard of their employment

classification. Grievances protesting that a Management action during such emergency was a violation of this Agreement shall be filed within ten (10) working days after the end of the emergency condition.

ARTICLE 36

FITNESS FOR DUTY AND LIGHT DUTY

Section 1. Should an employee covered by this agreement become physically or psychologically unfit to perform his/her regular job, Management will make every effort to place the employee in an alternative position within the employee's abilities. If placed in a position pursuant to Section 4 of this Article, the rate of pay and benefits shall be consistent with the regular rate and pay of the alternative position.

Section 2. Fitness for Duty Examinations

- A. If there is a reasonable basis to believe an employee is physically or psychologically unable to safely perform the requirements of the job, the employee may be placed on administrative leave with pay and required to attend a fitness for duty evaluation performed by the City's physician or psychologist.
- B. If the City's physician or psychologist determines the employee to be fit for duty, the employee shall be returned to active duty as soon as practicable. If the City's physician or psychologist determines the employee is not fit for duty, unless there is a claim that the injury or illness is covered by the worker's compensation act, the employee shall be placed on sick leave status. If there is a claim that the injury or illness is covered by the worker's compensation act, the determinations reached under the provisions of this Article shall not apply and the determination made under the worker's compensation act shall be controlling for that claim. While on sick leave status the employee shall be required to utilize any available paid leave. If an employee has exhausted his/her available paid leave and any donated compensatory time (pursuant to this Article), the employee's status shall be classified as unpaid medical leave unless the employee is granted light duty or income maintenance pursuant to Article 37-Income Maintenance Plan. Unless the employee voluntarily resigns or has his/her employment terminated for other reasons, the employee shall remain on a status allowed by this Article, or until it is determined by the City's physician or psychologist that the employee is fit for full duty.
- C. If the employee disagrees with the determination of the City's physician or psychologist, the employee may seek a second opinion from a physician or psychologist at the employee's expense. The employee or Union shall notify the City that a second opinion is desired within 14 calendar days of the date the employee is notified of the findings of the City's physician or psychologist. Upon such notification, representatives of the Union and representatives of the City shall meet to set a deadline for scheduling of the second opinion. If the second opinion disagrees with the opinion of the City's physician or psychologist, the employee shall immediately be returned to paid administrative leave or light duty and the time period specified in Section 4 of this Article shall be suspended until the matter is resolved. The dispute between the opinion of the City's physician or psychologist and the employee's physician or psychologist shall be resolved by seeking a third opinion which shall be binding on the parties. A third opinion shall be obtained from a physician or psychologist mutually agreed to by the City's physician or psychologist and the employee's physician or psychologist. Any individual named to potentially carry out a psychological fitness for duty evaluation shall be required to possess the necessary qualifications to meet those adopted by the IACP police psychological services section in their guidelines. Any individual named to potentially carry out a physical fitness for duty evaluation shall be required to be a licensed allopathic or osteopathic physician who is board eligible in an applicable specialty. If the two experts cannot agree on an individual to provide the third opinion, the City and employee shall within 10 days each submit a name to be placed in a hat. The Police Chief or his/her designee shall draw one of the names out of the

hat in the presence of the Union President or his/her designee. The name drawn shall be utilized to obtain the third opinion. The cost of the third opinion shall be equally shared by the Union and the City. If the third opinion finds the employee fit for duty, the employee shall be returned to active duty as soon as practicable and made whole for any lost wages (excluding overtime) and any lost leave time. This shall be the sole remedy available for disagreement with the City's physician or psychologist. The determination of the City's physician or psychologist shall not be subject to the grievance procedure.

Section 3. The City Manager or his/her designee and Union officials may, on a case by case basis, meet and upon mutual agreement permit unit personnel to work on behalf of a disabled employee (excluding duty-incurred disability) for specified periods of time, or donate accumulated paid leave in specified amounts, when such disabled employee has exhausted all available paid leave time. Any such agreement reached under this Section shall be reduced to written form and signed by the Union President and City Manager.

Section 4. When an employee receives a diagnosis and/or prognosis which indicates that a physical or psychological condition has reached maximum medical improvement and has permanently disabled the employee from performing his/her regular job, or after twenty four (24) months of an employee being medically or psychologically unfit to perform his/her regular job (whichever occurs first), the employee shall be given up to three (3) months (90 days) to evaluate and decide upon an available option, including Section 1 of this Article. The employee shall be assisted by the City and Union in determining available options. If the employee has not decided upon a viable option within this time frame, the City will have just cause to terminate his/her employment. All diagnoses and prognoses shall be verified by the City's physician or psychologist. If there is a dispute regarding a determination made by the City's physician or psychologist, it shall be resolved pursuant to the procedure set forth in Section 2(C) of this Article. The time limits under this Section shall be suspended during the dispute resolution procedure.

Section 5. Light Duty Assignments

- A. If an employee becomes temporarily disabled from performing his/her regular job, he/she may request a light duty assignment. If Management determines a light duty assignment is available within the employee's abilities, Management may accommodate the request. When given a light duty assignment, the employee may be assigned different work hours if Management has a reasonable basis to alter such hours. Available light duty assignments will be filled on a first requested, first accommodated basis. Management may re-evaluate the need for light duty work as the needs of the service dictate.
- B. An employee requesting a light duty assignment must provide a medical assessment of the employee's condition which includes a diagnosis and prognosis with work assignment restrictions.
- C. An employee who is assigned to light duty shall submit to his/her supervisor regular progress reports from his/her treating medical professional.

ARTICLE 37 **INCOME MAINTENANCE PLAN**

The income maintenance plan provides the employee with an income allowance equal to 75% of his/her regularly assigned salary for a period of one (1) full year in the event that he/she suffers from a catastrophic illness/disability which prevents him/her from being at work and performing his/her normal job.

The income maintenance allowance begins for the employee at such time as he/she has exhausted all of his/her accrued sick leave and vacation benefits. While receiving the income maintenance allowance, the employee shall remain on the City payroll and continue to have insurance premiums and retirement plans funded by the City in the manner outlined elsewhere in this agreement. The employee shall not accrue vacation or sick leave credits during this period.

In the event the employee receives monies as a result of workers' compensation law payments, the income allowance will be reduced by an amount which will result in the employee receiving not more than 100% of his/her regularly assigned salary during the period of illness or disability. All decisions regarding an employee's eligibility for income maintenance will be made by the City's physician, subject to appellate review by the City Manager. A decision made by the City Manager will be final and not subject to further review.

An employee who returns to work after being absent on the income maintenance plan for more than six (6) months shall be ineligible to request implementation of the plan for the next six (6) months following his/her return.

ARTICLE 38 **WORK WEEK**

Section 1. Ten Hour Work Shift

After permanent adoption of twelve (12) hour shifts for Uniformed Patrol Teams, the parties discussed the utilization of ten (10) hour shifts for various other units containing bargaining unit members. Ten (10) hour shifts for Police Officers and Sergeants assigned to the Detective Bureau, Support Services, Special Response Team, Community Officers, and the Internal Affairs Unit shall be as follows:

- A. Ten (10) hour shifts shall be scheduled on consecutive work-days within the scheduled work week for a total of forty (40) regular hours of work.
- B. Under the provisions of Section 2(F) of Article 20-Holidays, the normal work shift on a holiday is understood to be ten (10) hours. The employee's birthday holiday shall be ten (10) hours; however, when credited to the employee's vacation bank if not used during the calendar year, on the occurrence of, or thirty (30) days following the occurrence of the employee's birthday, it is understood that the birthday holiday will be converted at the rate of eight (8) hours of vacation.
- C. The term "person days" when used under Article 22-Leave for Union Business is understood to apply to the shift the employee is working on the day of such leave. If the employee is scheduled to work an eight (8) hour shift, the term "person days" equates to eight (8) hours. If the employee is scheduled to work a ten (10) hour shift, the term "person days" equates to ten (10) hours.
- D. The term "work-day" and "day of vacation" as used in Section 2 of Article 19-Vacations shall be understood to be accrued at eight (8) hours per day. Employees who are on a ten (10) hour shift on the date of use of such vacation hours shall be required to use ten (10) hours for each full shift of approved vacation.
- E. The term "one (1) day of sick leave" as used in Section 2 of Article 21-Sick Leave shall be understood to be accrued at eight (8) hours per day. Employees who are on a ten (10) hour shift on the date of use of such sick leave hours shall be required to use ten (10) hours for each full shift of approved sick leave.
- F. It is understood that the City retains the right to assign employees working ten (10) hour shifts to training on an eight (8) hour shift basis. Nothing contained herein shall be interpreted to limit

management's discretion to schedule a work week or pay period utilizing both eight (8) hour shifts and ten (10) hour shifts to achieve an eighty (80) hour pay period when necessary to complete departmental training.

- G. Overtime shall consist of authorized time worked in excess of the hours scheduled for any scheduled work-day or in excess of the hours scheduled in the work week, not including unpaid meal periods.
- H. The parties acknowledge that the City is utilizing the option under the Fair Labor Standards Act (FLSA) to establish a work period of twenty-eight (28) consecutive days for law enforcement personnel under Section 7(k) of the Act. Therefore, under the Act, overtime compensation will not be required until the employee works more than one hundred seventy-one (171) hours in that twenty-eight (28) day (4 work week) period, or the ratio of one hundred seventy-one (171) hours to twenty-eight (28) days in two (2) consecutive work weeks as a pay period. However, this provision shall not preclude or override the obligation to pay overtime as provided elsewhere in this Agreement.

Section 2. Twelve Hour Work Shift

The schedule for Police Officers and Sergeants working in Neighborhood Service Areas (NSA'S) on uniform patrol teams as follows:

- A. The twenty-eight (28) day cycle shift rotation shall be:

<u>Week</u>	<u>Rotation</u>	<u>Sun</u>	<u>Mon</u>	<u>Tues</u>	<u>Wed</u>	<u>Thurs</u>	<u>Fri</u>	<u>Sat</u>
1	A	off	W	W	off	off	W	W
1	B	W	off	off	W	W	off	off
2	A	W	off	off	W	W	off	off
2	B	Off	W	W	off	Off	W	W
3	A	Off	W	W	off	Off	W	W
3	B	W	off	off	W	W	off	off
4	A	W	off	off	W	W	off	off
4	B	Off	W	W	off	Off	W	W

- B. Work schedule shall alternate between a three (3) day work schedule for one (1) week and a four (4) day work schedule for one (1) week. This will result in a total of eighty (80) hours of scheduled work in each two (2) week pay period.

160 HOURS/4 WEEKS: The normal biweekly pay period shall consist of eighty (80) hours and shall be comprised of six (6) scheduled shifts working twelve (12) consecutive hours and one (1) scheduled shift working eight (8) consecutive hours. The normal four (4) week period shall consist of one hundred and sixty (160) hours and shall be comprised of twelve (12) scheduled shifts working twelve (12) consecutive hours and two (2) scheduled shifts working eight (8) consecutive hours. All eight (8) hour shifts will either commence at the beginning or conclude at the end of the employee's normally assigned twelve (12) hour shift. All eight (8) hour and twelve (12) hour shifts will be assigned by seniority within classification and shift rotation.

168 HOURS/4 WEEKS: During the months of April through September Management may choose to implement a four (4) week schedule period consisting of one hundred and sixty

eight (168) hours. If this schedule is implemented, it shall be from April through September and this schedule including the mandatory (8) eight hour overtime shift shall be the employee's regular work schedule from April through September. This schedule shall not be altered without the agreement of both the employee and management. During the implementation of this schedule, mandatory eight hour overtime shifts shall not be scheduled on holidays and if such holiday would have otherwise been an employee's mandatory (8) eight hour shift, it shall be considered a "regular day off" pursuant to (Article 20, Section 3b) for that employee. Those employees subject to this schedule shall not be ordered off on holidays. The above provisions shall not be construed to alter or reduce the chief's ability to augment staffing or order employees in to work pursuant to other provisions of the collective bargaining agreement or past practices such as voluntary overtime assignments.

This one hundred and sixty eight (168) hour period shall consist of twelve (12) scheduled shifts working twelve (12) consecutive hours, two (2) scheduled shifts working eight (8) consecutive hours at employees' normal pay grade, and one (1) eight (8) consecutive hour shift to be paid at overtime rate (mandatory overtime shift). The mandatory eight (8) hour overtime shift shall be eligible for compensatory time in lieu of pay pursuant to article 14, section 4. If an employee calls in sick on a mandatory overtime shift it will count as a sick occurrence for the purpose of tracking sick leave use. However, time will not be deducted from the employee's sick leave bank and the employee will not be paid for the absence. An employee may not use vacation leave or compensatory time off to avoid working a mandatory overtime shift. However, if an employee has (7) seven or more consecutive days off as the result of utilizing vacation time, the employee shall be relieved of his/her mandatory overtime shift if the shift falls within the intended vacation period. Such periods of consecutive days off may consist of a combination of vacation days and regular days off. All eight (8) hour shifts will either commence at the beginning or conclude at the end of the employee's normally assigned twelve (12) hour shift. All eight (8) hour and twelve (12) hour shifts will be assigned by seniority within classification and shift rotation.

Bid Process for the Mandatory Overtime Shift (MOS) Day

During the Spring shift bid "change period" employees shall bid for their mandatory overtime shift (MOS day). Management shall assign the MOS Days based on seniority within shift rotation. The parties agree to develop a process prior to the implementation of the MOS Days to allow employees to return one or more of their MOS Days to a voluntary overtime sign up. If an employee's MOS Day is selected by a volunteer, the volunteer will be responsible for working the MOS Day. Voluntary supplemental overtime shifts shall be disseminated to volunteers based on seniority. Employees assigned to Patrol, SRT, and Community Officers shall be eligible for voluntary MOS Day assignments. In the event no volunteer selects the employee's MOS Shift, the originally assigned employee shall be responsible for working that shift.

Volunteers may not sign up for a MOS Day on a normally scheduled work-day in order to double shifts as a result of this section. No officer shall work more than two MOS Days during their thirty-six (36) hour week or more than one (1) MOS Day during their forty-four (44) hour week.

Patrol Division Hours

There shall be two (2) first shift Patrol Division schedules referred to as A Squad and B Squad. First shift A Squad start time shall be 05:30 hours with an end time of 17:30 hours. First shift B Squad start time shall be 06:30 hours with an end time of 18:30 hours. The second shift Patrol Division schedules shall have a start time at 15:30 hours with an end time of 03:30 hours. There shall be two (2) third shift schedules referred to as A Squad and B Squad. The third shift A Squad start time shall be 17:30 hours with an end time of 05:30 hours. The third shift B Squad start time shall be 18:30 hours with an end time of 06:30 hours. All eight (8) hour

shifts will either commence at the beginning or conclude at the end of the employee's normally assigned twelve (12) hour shift

- C. In each two week pay period one of the scheduled work days will be an eight (8) hour day known as a Kelly Day. Selection of a Kelly Day shall be by seniority within classification by shift rotation (i.e. 1st shift rotation A by seniority within classification; 1st shift rotation B by seniority within classification, etc.). It is understood that the selection of a Kelly Day will be done after shifts are bid by seniority. The Department assigns Sergeants and Officers to an NSA based upon needs of service and shift assignment, and a shift rotation preference (A or B) is indicated by seniority amongst Officers and Sergeants assigned to the same shift and NSA. Shift bids shall be carried out at six (6) month intervals.
- D. The Police Chief shall retain the right to make changes to any Officer and/or Sergeant's selection of shift rotation by seniority if he/she has a reasonable basis. When it is necessary to move an employee from the rotation selected, it shall be done on a lowest seniority basis unless there is a reasonable basis for disregarding seniority. Any Officer or Sergeant who does not receive the shift rotation that his/her seniority would otherwise have provided under item C above may request a meeting with the Police Chief or designee to discuss assignment to the opposite shift rotation.
- E. Under the provisions of Section 2(F) of Article 20-Holidays, a normal work shift on a holiday is understood to be twelve (12) hours. The employee's birthday holiday shall be twelve (12) hours. However, when a birthday holiday is credited to the employee's vacation bank, if not used during the calendar year or within thirty (30) days after the occurrence of the employee's birthday, it is understood that the birthday holiday will be converted at the rate of eight (8) hours of vacation. For those assigned to the twelve (12) hour work shift schedule, holiday pay shall be compensated at twelve (12) hours. For employees who work on the holiday, they shall be compensated at time and one half (1½) for the actual hours worked.
- F. The term "person day" when used under Article 22-Leave for Union Business is understood to apply to the shift the employee is working on the day of such leave. If the employee is scheduled to work an eight (8) hour shift, the term "person day" equates to eight (8) hours. If the employee is scheduled to work a ten (10) hour shift, the term "person day" equates to ten (10) hours. If the employee is scheduled to work a twelve (12) hour shift, the term "person day" equates to twelve (12) hours.
- G. The terms "work-day" and "day of vacation" as used in Section 2 of Article 19-Vacation shall be understood to be accrued at eight (8) hours per day. Employees who are on a twelve (12) hour shift shall be required to use twelve (12) hours for each full shift of approved sick leave.
- H. The term "one (1) day of sick leave" as used in Section 2 of Article 21-Sick Leave shall be understood to be accrued at eight (8) hours per day. Employees who are on a twelve (12) hour shift shall be required to use twelve (12) hours for each full shift of approved sick leave.
- I. It is understood that the City retains the right to assign employees working twelve (12) hour shifts to training on a five (5) day, eight (8) hour shift basis. Such shift adjustments shall be made in accordance with Section 5 of Article 13-Shift Preference. When necessary for departmental training, an employee may be assigned to training for part of the shift and to patrol in an NSA for part of that same shift. The parties agree to meet and develop a letter of understanding on department-wide training when eight (8) and twelve (12) hour shifts may become necessary in the same work week or pay period.
- J. The parties acknowledge that the City is utilizing the option under the Fair Labor Standards Act (FLSA) to establish a work period of twenty-eight (28) consecutive days for

law enforcement personnel under Section 7(k) of the Act. Therefore, under the Act, overtime compensation will not be required until the employee works more than one hundred seventy-one (171) hours in that twenty-eight (28) day (4 work week) period, or the ratio of one hundred seventy-one (171) hours to twenty-eight (28) days in two (2) consecutive work weeks as a pay period. However, this provision shall not preclude or override the obligation to pay overtime as provided elsewhere in this Agreement.

Section 3. Management reserves the right to establish shifts and work week schedules including starting and ending times for shifts, except as expressly provided in this Article.

ARTICLE 39

The parties agreed that for changes to the pension ordinance that don't affect or otherwise impact the negotiated pension benefits or benefit levels, the City has the ability to do so without bargaining over such changes. The City will provide the Union with prior notice of such changes and will meet regarding them if so requested. The parties acknowledge that the Union reserves its rights under PERA to challenge any change that it believes presents an impact issue.

The first year average will be determined on the basis of the average for the preceding four (4) years. Thereafter, the average will be based on the preceding five (5) years' experience. The pension ordinance shall be amended in accordance with the actuary's recommendations to reflect such changes.

- A. The CAB members may review Garrity statements of police officers involved in the citizen's complaint at a scheduled time immediately preceding the actual CAB meeting time. If a CAB member is unavailable for that specified time, the member may request an earlier appointment time to review such statements.

2. In-Car Video System (DICV)

The parties each have an interest to ensure that the Grand Rapids Police Department (GRPD) operates as efficiently as possible and maximizes the benefits of new technologies. The GRPOA recognizes and agrees to the pending changes of the GRPD Manual of Procedures regarding the use of the in-car video system (DICV). However, the GRPOA does have a concern with any future change that would require the DICV be activated for an entire shift while on duty.

In order to address this concern, the Police Chief has expressed to the GRPOA that there is currently no plan to require the DICV be activated for an entire shift. Additionally, the City and the GRPOA mutually agree to the following:

- The parties agree that the current DICV procedures shall not be materially changed (e.g. to require continuous activation of the DICV for an entire shift) during the term of this agreement.

- This agreement in no way limits the Police Chief's ability to make other changes to the Manual of Procedures.

Any new technology that could be used for monitoring employee performance will not be used for disciplinary purposes for one year after implementation unless the union has agreed to earlier use.

3. Take Home Cars

The City of Grand Rapids and the Grand Rapids Police Officers Association (GRPOA) agree to establish a joint committee to explore the implementation of a program allowing take-home police vehicles for GRPOA bargaining unit members.

4. Specialty Drug Utilization and Approval Process

Background

During discussions with the joint City/Union Health Insurance Team on March 15, 2012, the Health Care Consultant explained to the parties that a significant number of new specialty drugs will soon be entering the marketplace. The discussion focused on the inability of the City's Health Care Plan criteria of medical necessity to effectively monitor and regulate the utilization of specialty drugs in a way to reasonably contain the costs associated with very expensive intensely used drugs.

Discussion Points

- 1) Lack of control over the pharmaceutical industries aggressive marketing forces.

- 2) Various potential solutions to reduce/limit the Plan's financial risk exposure for the benefit of the Plan and those premium cost sharing participants.
- 3) The consequences if prudent action is not taken to proactively address the parameters of coverage for specialty prescription drugs.

Purpose of agreement

To define processes and procedures for Specialty Drug prescription coverage within the City of Grand Rapids Unified Health Care Plan.

Definition

Specialty drugs are defined as follows: Drugs which cost greater than \$1,800 per prescription filling for 30 days or less and are utilized to treat complex chronic conditions, and are dispensed from a retail pharmacy. These types of drugs often require frequent dosage adjustment, special storage, a high-degree of patient education or special administration such as injection.

Agreement

- 1) Specialty Prescription drug coverage under the plan will be limited to those specialty drugs approved by the FDA and included in the attached Specialty Drug List maintained by the Health Plan's Pharmacy Benefit Manager (PBM) as of January 1, 2012 (Reference Attachment A). Any specialty prescription drug that is not on the January 1, 2012 Specialty Drug List is subject to the terms of this agreement.
- 2) This program only applies to specialty drugs that were approved by the FDA after January 1, 2012. Any beneficiary prescribed a specialty drug on the Specialty Drug List (attachment A) after January 1, 2012 will be grandfathered in and will not be subject to this program.
- 3) The specialty drug Program is only related to medications dispensed by a participating retail pharmacy. Specialty drugs entering the market on/after January 1, 2012 will be subject to:
 - 1) Prior Authorization
 - 2) Payment options (outlined below)
- 4) This agreement would not apply to drugs supplied and dispensed in a hospital, clinic or doctor's office.

Prior Authorization

- 1) Prior Authorization is a process that helps ensure the appropriate use of Specialty prescription drugs. This program is designed to promote a step wise approach of treatment (use of Drug A before using Drug B), manage the risk of drugs with serious side effects and positively influence the process for managing drug costs.
- 2) Process for Prior Authorization:
 - 1) Doctor writes the prescription.
 - 2) Patient takes prescription to pharmacy.
 - 3) Pharmacy notifies member to contact doctor or Pharmacy Benefit Manager (PBM) member services for prior authorization.
 - 4) PBM discusses specialty drug with doctor according to nationally accepted treatment guidelines. If request meets medical necessity criteria, pharmacy is contacted and the specialty prescription is dispensed. If request **does not** meet medical necessity criteria, specialty prescription is denied.
 - A) If specialty drug is approved, Individuals are required to pay 5% to a maximum of \$100 per prescription of the cost of the drug, and are not subject to the regular co-pay of the Health Care Plan (currently \$20.00).
 - B) If specialty drug is denied, PBM provides patient with assistance for payment as outlined in the following section.

Payment Options

Specialty drugs can be paid from a variety of sources. Some of the current industry methods include:

- 1) Manufacturers who pay for all or part of the drug cost and any necessary testing required to utilize the drug.
 - a. Example: Cystic Fibrosis drug Kalydeco – estimated monthly cost \$35,000
 - i. City's Health Care Plan denies the drug for coverage
 - ii. Manufacturer pays for 100% of the drug
 - iii. Cystic Fibrosis Foundation pays for the necessary genetic typing required to use the drug.
 - iv. If/when Drug Company funding is discontinued; the specialty drug is reviewed according to the procedures outlined in the "New Specialty Drug Review Section" which follows. Individual co-pay amounts described in 3 (below) would apply if the drug was eventually approved.
- 2) Manufacturer Co-Pay Assistance Programs are coupons or vouchers used to reduce or eliminate the cost of the patients co-pay. These programs are often distributed by a physician or pharmacist to the patient, and some are found on-line.
 - b. Example: Rheumatoid Arthritis drug Humira (adalimumab) – estimated monthly cost \$2,500 coupon available on-line.
 - i. City's Health Care Plan sets deductible at available coupon amount
 - ii. Manufacturer pays coupon amount per 30-day supply of medication
 - iii. Plan pays remainder
 - iv. Member pays zero
 - v. If/when Drug Company funding is discontinued; the specialty drug is reviewed according to the procedures outlined in the "New Specialty Drug Review Section" which follows. Individual co-pay amounts described in 3 (below) would apply if the drug was eventually approved. These options follow industry standards and may vary over time.
- 3) Individuals are required to pay 5% to a maximum of \$100 per prescription of the cost of the drug, but are not subject to the regular co-pay of the Health Care Plan (currently \$20.00).

New Specialty Drug Review

- 1) Annually
 - a. As new FDA approved Specialty Drug products come on the market after January 1, 2012 the following procedures will be utilized:
 - b. City's Health Plan and Pharmacy Benefit Managers committee (Pharmacy & Therapeutics (P&T) Committee) will continue to review these new drugs and products to determine if they should be:
 - i. Categorized as a specialty drug
 - ii. Added to the Specialty Drug List covered by the Health Care Plan
 - iii. If categorized as a specialty drug, it will require pre-authorization before that drug can be paid for by the Health Care Plan
 - c. The determinations will be relayed to the Pharmacy Benefit Manager (PBM) who will provide the results to a panel consisting of the Plan Administrator and the Union Presidents and/or their agents or designees.
 - d. Changes to the approved Specialty Drug List shall be reviewed annually on January 1 or before if recommended by the P&T Committee.
- 2) As Requested
 - a. Any member who receives a prescription for a new FDA approved specialty drug that is not on the approved Specialty Drug List as of January 1, 2012 (attachment A), and therefore not covered by the Health Care Plan, may submit a request to the Plan Administrator who in turn will submit the request to the P&T Committee for a review and

recommendation. The P&T Committee will convene within a reasonable period of time appropriate to the circumstances (emergencies will be treated as such) and make a recommendation as listed in (1) (b) above. Adverse determinations can be appealed as referenced below

Appeal Process

- 1) Pre-Authorization of approved Specialty Drugs will continue to be processed in accordance with current procedures of the Health Plan utilized by the Pharmacy Benefit Manager for evaluation of medical necessity. Appeals of adverse determinations of Special Drug Coverage will follow the current appeal process located in the Summary Plan Document under the "How to Submit a Claim" section. In the event that genetic testing is required to determine if the requested drug is medically appropriate for treatment of the individual's condition, the member must satisfy that criteria before the pre-authorization review can be completed.

Continuation

Except as expressly provided above, all other terms as provided in the Summary Plan Document shall remain in full force and effect. This agreement shall be effective for implementation as of October 1, 2013 through June 30, 2016. The agreement will continue thereafter upon mutual agreement by each of the respective parties.
